

**Welcome to My Banjo World.** I'm Janet B and I hope you'll enjoy and benefit from exploring my site. The drawing, made during a staff meeting at school, came to symbolize important aspects of my life – family, job and music.

**Family:** Together my husband, Kit, and I perform as a duet called Plinky and Plunky throughout our community and in the elementary school where I taught.

**Job:** The drawing was used as the cover of a Sing-Along book used year after year with my first grade students. The dog is named "SCRUFFY," an acronym for the Smartsville Church Restoration Fund, Inc., for whom I'm secretary.

**Music:** Playing music is a gift. God gave me the banjo and then a husband who plays mandolin. It's fun and uplifting, whether on the porch or for a good cause.
